SOCITY FOR THE PROMOTION OF KINDNESS TO ANIMALS

Annual Report 1946

In presenting the 10th Annual Report for the year ending 1946, we are glad to state that the Society has done its best to carry on its humanitarian work successfully in spite of adverse conditions

The Society continues to have the same number of men on the Staff It was found impossible to increase the staff owing to the extra dearness allowances which had to be paid to them As a result of the war the Society has suffered a great deal and the present Staff is insufficient for a large city like Bangalore.

The number of cases detected by the Society Staff for cruelty, overloading, and using unfit animals during the year is given below

No of cases	detected	4236
Do	warnes	380
DD	convicted	3406
Do	withdrawn	300
Do	acquited	80
Do	pending	70

1825 animals were sent for rest and treatment ng the year

Bullocks	1301
Ponies	302
Cows	92
Donkeys	51
Cats	5
Deer	1
Dogs	30
Fowls	38
Peacocks	3

These were handed over to the owner after being treated for a few days

Bullocks Mostly overworked, lame, wounded, and with broken tails Etc
Cows Used fordragging the carts, debility, too small, lame, and advanced pregency Etc
Ponies Lame, broken hooves, tail, girth anddsaddle wounds, overworked

Special Activities

We held a special drive to inspect and improve the condition of calves, of milk vendors, dhobi donkeys, and bullocks used by the oil mills and for mortar grinding Some of these animals had to be destroyed, and some were sent to be pensioned off to the Gorashanasala Birds and fowls sent by bus and grain were removed from overcrouded baskets were fed and treated But the transport conditions are still bad and we have appealed to the Railway Companies A large number of animal sacrifices were stopped Through propaganda

The dispensary roof was repaired during the year and the dispensary continues to work successfully The Society has the following cattle at Kumbalgude

Cows	91
Bullocks	40
Buffaloes	16
Calves	8

The Society urgently needs shelter for the cattle at Kumbalgude They are now distributed in various places for want of accomodation, Staff and cattle fodder Owing to the drought it was found impossible to procure and most of these cattle had to be staff-fed The Revenue Commissioner granted us permission to bring hay from Mandya District which was found to be cheaper Owing to foot and mouth disease and lack of good fodder, many of the cattle died We have applied to the Government of enhance our grant which is

only Rs1720/- annually or Rs143/- per month
Our donations and subscriptions come to about Rs80/-
per month Our expenses come to about Rs500/-
The Government grant was sanctioned in 1942
Since then the pay of the Staff and other expenses
have gone up The work of the Society has also
expanded a great deal and requires a larger grant
If more funds are available, we could put down more
cases of cruelty in the City I appeal to the Public
This is the only Society through which the sufferings
of the dumb animals can be relieved We want the
Public to give us more funds, and more support
I thank all those who have so kindly helped us with
funds, and all those who have brought cases of cruelty
to our notice

We need a better building and properly staffed
dog-pound with the "Humane Killer" in working order
The Public should inspect these from time to time to
see for themselves We have provided about twelve
water-troughs for the animals in the City area and
they have been kept filled with clean water

The general condition of the jutka ponies
has improved and the animals used now areabove
11 hands The Hon Secretary inspects these before
they are granted licence

Meetings The Committee met three times during the
year All important matters were circulated to the
members to obtain their views,

Finance Our subscriptions have fallen very low
All our reserve funds have been used up owing to the
drought and the high cost of fodder during the year
under report Our expences have gone up tremendously
in maintaining the cattle during the year
Consequently we had to borrow money

The Infirmary and the Dispensary

The Doctor in charge of the Vererinary Dispensary attached to the S P K.A Infirmary will treat free of cost all the animals brought for treatment Ownerless and poor owners' animals are fed and treated at the Society's cost for at least 10 days, or more according to the Magistrates order Animals having owners are chagged during the period they are detained in the Infirmary for rest and treatment The rate is about Rs1/- per day and for smaller animals about as8 per day and is charged according to the current prices of fodder

Special Needs Funds a e urgently needed to put up cattle sheds, to employ more inspectors to detect more cases, and for an animal ambulance

We take this opportunity to offer our thanks to the Public for their kind co-operation, timely help and advice We offer our thanks to the President, Gorashanasala for its kind donation of hay, gram, Etc for the cattle during the year A list of the goods recieved is appended herein
